Office of Legislative Counsel

Friday - 13 December 57

Talked with Senator Kuchel and outlined the types of unclassified information which we propose to furnish him. He seemed to feel that this was satisfactory and later in the day this was dropped by his office.

Mrs. Phyllis Nester of Congressman Homer Thornberry's office requested that a set of application forms be forwarded to the Congressman's office. This was done.

50X1

Delivered to Mr. McGillicuddy of the Johnson Subcommittee an extract of two Communist radio broadcasts dealing with the Subcommittee hearings for their interest and information.

[] of WH called and stated that in his OCB work it had come to his attention that certain of the Congressmen who were travelling in the Antarctic had made the comment that it was too bad that State and CIA had to work at cross-purposes. I requested [] to see if he could get more information on this but without pushing the matter at all.
